THE CODEBREAKER CREW

Includes Secret Codes & Puzzles

Alex, Maya, Jai, and Emily are four rising middle-schoolers who all love the same thing: cracking ciphers and codes. But they need your help! This exciting three-book collection contains 50+ codes readers can decipher as they follow the adventures of the four members of the Codebreaker Crew. Each chapter features an intriguing scenario that leads to a code that needs to be solved. As the Crew puzzles it out, you can work on it as well, with the solution a page away at the beginning of the next chapter.

From number puzzles, rebuses, and Caesar ciphers to anagrams, Roman numerals, and more, you'll have a blast trying to crack the codes before the Crew does.

PUZZLES & CODES

Mind-bending mysteries and clever challenges on every page.

FRIENDSHIP & TEAMWORK

Different skills. Big ideas. Stronger together.

STEM FUN

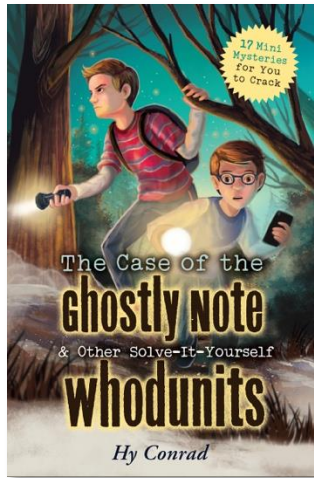

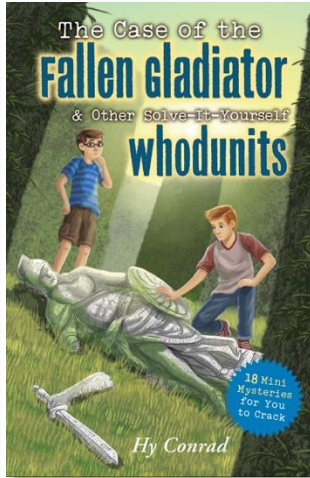

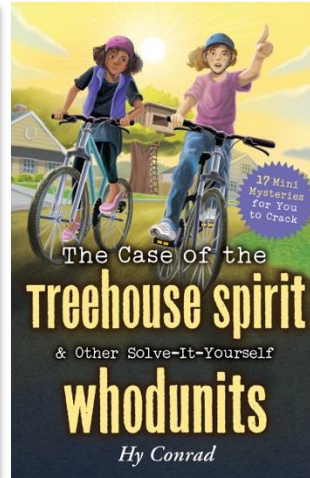

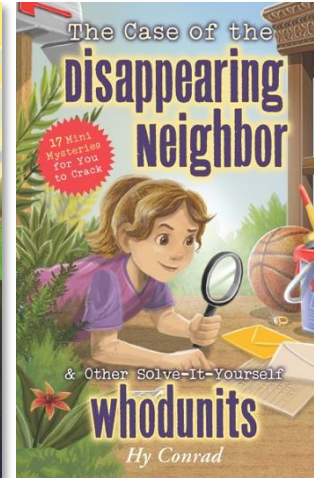

Inspires curious minds with logic, problem-solving, and creativity.

THE GREAT WHODUNIT COLLECTION

Solve-Them-Yourself Mystery Books

This exciting four-book collection features more than 65 mysteries you can try to solve before our heroes do. And don't worry, the solutions are in the back!

From a mysterious ghost note to a sabotaged canoe and more, books 1 and 2 feature Hunter and Logan, known as the Mystery Brothers. They're pretty clever, but can you solve the mysteries before them?

Books 3 and 4 feature Emma Riley, middle-school student, daughter, friend, and private detective (unofficially of course). She has figured out why and how the neighbor disappeared and who stole the missing dog, but can you figure these cases out too?

Read the stories, find the clues, and solve the mysteries! *Happy sleuthing.*

ENGAGING & INTERACTIVE

Young readers gather evidence, analyze clues, and solve each case.

BUILDS SKILLS

Encourages critical thinking, logic, observation, and deduction.
